

# WallgateCare<sup>+</sup>

Have complete peace of mind with your Wallgate products with three years of dedicated support including planned maintenance, full parts and full breakdown cover.

Keeping your Wallgate hand wash dryers in the best condition, working reliably for years, is now easier than ever with a WallgateCare<sup>+</sup> plan. Three years of dedicated support prevents headaches and unforeseen costs by covering labour, replacement parts and site attendance for scheduled maintenance visits, so you can provide your customers with reliable washrooms all year round.

1

**One simple** plan providing 3 years comprehensive maintenance and repair support at a fixed cost.

2

**Two** maintenance visits per year; parts, labour & travel included

3

**Three** day breakdown response; parts, labour & travel included

Here at Wallgate, we want nothing more than to look after all of our customers. By choosing the WallgateCare<sup>+</sup> plan, our network of qualified engineers will help keep your hand washing facilities in perfect operational condition throughout its long life.

## What do you get with your WallgateCare<sup>+</sup> plan

### WALLGATECARE<sup>+</sup> PLAN

- + Two scheduled maintenance visits per annum, for three years, so you know your washrooms will be operational round the clock
- + Handwash dryers will not only be maintained but also examined for efficiency, function and safety, making sure they remain in excellent operational condition
- + You're covered. Labour costs, replacement parts and site attendance costs, including travel, are all covered, preventing any unforeseen costs and budget headaches
- + Callout service to repair any breakdowns due to fair wear and tear
- + Qualified technical support on hand within three working days to limit downtime and have your washroom back up and running quickly

### WALLGATECARE<sup>+</sup> & REPAIR PLAN

- + For customers with products not currently on the WallgateCare<sup>+</sup> Plan, there's an interim, single year WallgateCare<sup>+</sup> Repair Plan, for ad hoc or urgent repair work
- + Qualified technical support on hand within three working days to limit downtime and have your washroom back up and running quickly
- + And for twelve months you'll also benefit from all the same great features included in our WallgateCare<sup>+</sup> Plan, including a follow-up maintenance visit, replacement parts and breakdown cover

For details please contact Wallgate on **01722 744 594** or visit [wallgate.com](http://wallgate.com)

## Why choose the WallgateCare<sup>+</sup> plan?

With three years of dedicated planned maintenance visits, genuine parts and quick breakdown cover included, you can rest easy knowing that your Wallgate hand washing facilities are functioning as efficiently and as safely as possible all the time. These regular checks not only prevent the cause of any breakdowns, removing any frustrations for you and your customers, but they also help to extend the lifespan of your sanitaryware products as we can identify any potential future problems with the product, resolving them before they fail. It's the best peace of mind you can have.

1

Get three full years of comprehensive cover in one simple plan for easier maintenance budgeting with our three year fixed cost WallgateCare<sup>+</sup> plans.

2

Two scheduled full maintenance visits per year, with replacement parts, labour and travel costs included.

3

We act fast. If ever needed, one of our qualified engineers will be at your site within three working days of a breakdown notification.
